

Squish & Charlie's Doggy Daycare

odd hours + overnight

About Odd Hours

Our Odd Hours Program was introduced on May 20, 2026. The concept is simple: take care of your pup outside of normal business hours. Our fees are the same as for a day service, and you can pick up and drop off at any time. Please see below for details on the Odd Hours Program.

How It Works

Meet and Greet with Free Trial Day

For all pups attending our facility, we require that our intake form be completed and that a copy of your pup's vaccination records be provided. We will arrange a meet-and-greet to complete an initial assessment during the day to determine whether they're a good fit. Once that is complete, you can begin booking your pup in.

Pricing

Our pricing is based on the amount of time your pup is with us. Under 5 hours is \$35; 5-12 hours is \$47; 13 hours is \$57; 14 hours is \$67; and the pricing rolls into the \$73 boarding fee at hour 15.

Passes are available. Payment is e-transfer or credit card. GST not included.

Booking

All Odd Hours pups must be pre-booked, or you can try calling for a last-minute booking. Bookings can be made via the portal, by phone, text, WhatsApp, or DM.

We do not accept walk-ins after 7 pm or before 7 am for the Odd Hours Program.

Arrival and Process

Once your pup is booked in, please call us 15 minutes before your arrival. Once you are in our parking lot, call us a second time, and we will meet you at the door with your pup and take payment. The team will require approximately 15 minutes to get your pup ready to go.

If you are dropping off, please follow the same protocol. These measures are for our staff's safety and to ensure the boarding dogs can sleep well.
